

COVID 19 POLICY

The Covid-19 pandemic could foreseeably force the shutdown of EVC Camps due to government order. In the case of EVPC having to shut down a summer camp that has yet to start, EVPC will provide a camp "credit" in equal value for a future EVPC Camp. In the event that a camp has already started, EVC will have already incurred costs including coaching fees, rental costs, equipment fees, which cannot be recouped, therefore, participants will not be entitled to a refund, however, EVPC will work to provide customers a prorated credit for future use to a camp where possible.

REFUND POLICY

All refunds prior to June 1st, 2023 will be subject to an administration fee of 25% of the overall camp total, plus a 2% payment processing fee. There will be no refunds for any EVPC summer programs after June 1st, 2023.

In the case of an injury, a refund may be considered if:

- The camp the injured registrant is registered in is full and we are able to fill injured athlete's spot from our waitlist.
- The injured athlete can find another athlete to fill their original spot *Please note: If a camp is waitlisted, this does not guarantee the spot will automatically be filled. Injury refund requests must be accompanied by a physician's note.

All injury refunds will include an administration fee and credit card processing fee.
